

Dancing with Wild Sky Tribal

Joining the tribe is just the beginning of being a part of the Wild Sky Studio community. The highest echelon of the community is becoming a member of the performance troupe Wild Sky Tribal. This can be achieved by attending, and completing all of the class levels, Introduction through Advanced, and attending a get to know the troupe discussion session.

When dancing with WST, you are required to make it to the weekly practices, and when you commit to perform, you keep that commitment. You are required to have a full Tribal Costume, don't worry, as a tribe, we help each other obtain these items. A tribal costume consists of:

ATS skirts
choli
coin bra
pantaloon
Ghawazee or Entari coat
Tribal Jewelry

We would like to welcome each and every sister that makes the choice to perform with WST. It is a uniquely touching, and powerful experience, wont you come and perform with myself, and the sisters of Wild Sky Tribal?
